Dr. Susan & Jeffrey Bastable

### DEAR FRIENDS,

As past and present members of St. Joseph's Health Boards, staff and volunteer services, we are truly honored to help secure and enhance the future of a health care system that has such a positive impact on the lives of so many of our Central New York Community members.

St. Joseph's Health has a special place in our hearts as it does with so many of you. We are grateful for the compassion St. Joseph's Health caregivers provide to every patient, every day, regardless of their ability to pay.

Annual giving is a fundamental aspect of fundraising, and we thank those of you who make charitable contributions to St. Joseph's Health year after year. Your financial support has an immediate impact and is more important than ever.

Your pledge/gift of \$1,000 or more qualifies you as a member of the Circle of Caring and is a testament and commitment to your loyalty - it is crucial to the St. Joseph's Health mission in supporting the values of reverence, safety, stewardship, commitment to those who are poor, justice and integrity.

All donations made to St. Joseph's Health Foundation will remain in and benefit the Central New York service area of St. Joseph's Health.
